

Feedback Survey

I've created a survey for any attendees who would like to provide feedback on the session – found [here](#). Feedback would be really appreciated and will help inform future events.

Further Questions

If councillors have any questions following the session please could they be emailed to nccsp@norfolk.police.uk – I'd be more than happy to compile a Q&A sheet which can then be circulated.

Reporting Routes

Here's information regarding reporting routes:

Norfolk Constabulary –

- Contact the police by reporting [online](#), calling **101** or calling Crimestoppers anonymously on **0800 555 111**. In an emergency, or if you witness a crime in progress or believe someone is in imminent danger then call 999.
- It's important not to refer the matter to OPT via council contacts. By calling 101/999 an incident record is completed, and a risk assessment is carried out to ensure appropriate resources are allocated. Such records can also be used later when composing evidential timelines.

[Norfolk County Council](#) –

If you think a child or vulnerable adult is at risk of criminal or sexual exploitation in Norfolk:

- Call 0344 800 8020 and speak to someone at Norfolk Children's Advice and Duty Service (CADS)

Additional Links and Resources

There are additional resources included in some of the presentations. Also see the following:
